Skipper™
The total safety management solution

Skipper™
The total safety management solution

Connected to safety

The Skipper range of waste & safety management products provide a flexible and effective solution, with a wealth of fixing and display options.

Being compatible with existing Skipper products makes the waste & safety management range intuitive for people already familiar with Skipper, as well as newcomers.

Skipper[™]

The total safety management solution

Skipper recycle bin

The modular waste management solution

The Skipper recycle bin is a robust and durable attachment for multi-purpose waste and recycling use. It can attach to either the Skipper post & base system via its collar, the cord strap clip, the suction pad and the wall clip. The recycle bin is available in a choice of colours, and is supplied with stickers to designate recycling types. PRODUCT CODE: BIN01.

Skipper recycle bin			
Height 194mm 7.6"	Width 338mm 13.3"	Depth 376mm 14.8"	Weight 1.1kg 39.2oz

The Skipper recycle bin and dispenser lids are available in a range of standard recycling colours and are supplied with a selection of adhesive stickers

Skipper unit

Skipper is the unique way to cordon off any area, creating safer environments with high visibility retractable 9m (30ft) tape. Simply click the Skipper unit on top of the post, and pull out the tape to the desired length PRODUCT CODE: SKIPPER01.

Skipper versatile safety barrier			
Height 240mm 9.4"	Width 145mm 5.7"	Depth 145mm 5.7"	Weight 795g 28oz

Post & base collar

The Post & base collar attaches firmly to the post by simply sliding over the top and seating into position. It provides a strong platform for attaching the Skipper recycle bins, dispensers and hand sanitiser brackets. PRODUCT CODE: POST04.

Skipper post & base collar			
Height 185mm 7.3"	Width 194mm 7.7"	Depth 131mm 5.1"	Weight 430g 15.2oz

Post & base system

The Skipper post's great versatility allows it to be used on both hard and soft ground, indoors and outdoors.

The unique, interchangeable base allows the post to be sunk into the ground with a spike, or attached to its sturdy base for use on hard surfaces. Simply pour water or sand into the base for extra strength and stability.

PRODUCT CODE: POST01 (post), POST02 (base), POST03 (spike)

Skipper interchangeable post & base system			
Height 1m 39.4"	Width 500mm 19.7"	Depth 500mm 19.7"	Weight 2.3kg 5.1lbs

Left to right:
Post, post & base,
post & spike

On site safety at your convenience

The perfect dispenser for workplace safety essentials

Skipper safety dispenser

The safety dispenser provides easy access to safety equipment such as ear plugs and safety glasses. It attaches to the Skipper post & base system via its collar and is available in a variety of colours. Like the recycle bin, the dispenser is also supplied with a selection of stickers for designating its contents. PRODUCT CODE: DISP01.

Skipper safety dispenser			
Height 262mm 10.3"	Width 230mm 9.1"	Depth 263mm 10.4"	Weight 524g 18.5oz

Clean and simple

A clear benefit to clean environments

Skipper hand sanitiser bracket

The hand sanitiser bracket holds standard pump dispensers. With the versatile Skipper connector slot it can attach easily and securely to other Skipper products including the cord strap clip, suction pad, post & base collar and wall clip - as well as the Skipper unit itself. PRODUCT CODE: SAN01.

Skipper hand sanitiser bracket			
Height 109mm 4.3"	Width 80mm 3.1"	Depth 91mm 3.6"	Weight 66g 2.3oz

Direct and to the point

Skipper A4 Sign holder.

This A4 sign holder is designed to accommodate safety and instructional signage. Its functional design makes it a great complement to the Skipper product range and allows you to easily display warnings, promotional messages and directions. Simply insert your A4 message into the polycarbonate sleeve, and slide into the robust u-shaped frame. PRODUCT CODE: SIGN01.

Skipper A4 sign holder			
Height 348mm 13.7"	Width 266mm 10.5"	Depth 28mm 1.1"	Weight 480g 16.9oz

An attachment for every need

Connect the waste & safety management range to any surface

Skipper cord strap clip

The cord strap clip is designed to attach to structures such as pillars, trees and scaffolding using the provided 'tourniquet' cord. Once in place the clip can hold the hand sanitiser bracket, recycle bin or safety dispenser directly. PRODUCT CODE: CORD01

Skipper cord strap clip			
Height 105mm 4.1"	Width 131mm 5.2"	Depth 19mm 0.7"	Weight 100g 3.5oz

Skipper suction pad

Fixing to high gloss surfaces and glass is easily achieved with the Skipper suction pad. It can hold the hand sanitiser bracket, as well as the safety dispenser. For heavier applications such as the recycle bin, the suction pad has a purpose-built bracket for added stability. PRODUCT CODE: PAD01 (suction pad), P/SUPPORT01 (suction pad bracket).

Skipper suction pad			
Height 45mm 1.8"	Width 78mm 3.1"	Depth 117mm 4.6"	Weight 65g 2.3oz

Skipper suction pad bracket			
Height 180mm 7.1"	Width 166mm 6.6"	Depth 62mm 2.4"	Weight 172g 6.1oz

The Skipper suction pad connecting to a safety dispenser via a suction pad bracket

Skipper wall clip

The Skipper wall clip can be used to provide a more permanent fixture for the hand sanitiser bracket, recycle bin or safety dispenser. Simply screw the wall clip into position and then slide on the desired Skipper product. PRODUCT CODE: W/RECEIVER01

Skipper wall clip			
Height 100mm 3.9"	Width 80mm 3.1"	Depth 23mm 0.9"	Weight 45g 1.6oz
